SMASHED. ALCOHOL EDUCATION TO EMPOWER A GENERATION

ABOUT SMASHED

Young people have a right to an alcohol education that is honest, empowering, and inspiring. We want to be a voice of positive change for ten million young people by 2030. Smashed is in over twenty-five countries around the world.

WHAT IS SMASHED ONLINE?

Fresh, fun and engaging, Smashed Online combines engaging drama and interactive learning tools. It tells a powerful and realistic story of young people and alcohol. Learners stop and ask, 'What if that was me?' in a 60 minute e-learning course.

LEARNING OBJECTIVES

Students observe, explore and reflect on vital underage drinking themes:

EMBED THE LEARNING

The experience will enthuse students about the issue of underage drinking. Why not continue the learning? Here are some simple ideas you can deliver in class.

- QUIZ** Create a quiz for students on alcohol and its dangers. Include questions about what happened in the Smashed story including the consequences of drinking alcohol for each character.
- GRAPHIC DESIGN / ART** Students can champion the dangers of underage drinking by creating posters or online adverts. Encourage them to use the challenges and dilemmas the characters faced in the story.
- DRAMA** Use the storyline as inspiration for students to create their own scenes, adverts, and plays around underage drinking. Help them to explore peer pressure and create alternative endings to Smashed!
- CREATIVE WRITING** Students imagine they are a friend or relative of a character at a point in the film. What might they advise them in an email or letter? Or they can write a newspaper article about the incident at the end of the story.
- COMPETITION** Young people often have the best ideas. Run a competition where they compete to create campaigns on the dangers of underage drinking, showcasing their work to others.
- MEDIA** Students can re-create scenes from Smashed on film or make a documentary about the dangers of underage drinking.
